LATINO Pioneers *in Boston*

Saludos/Greetings

It's an honor and a privilege to have been given the opportunity to complete this project "The Latino Pioneers in Boston". What a treat to get to know this extraordinary group of individuals who paved the way for the next generations of Latinos in the city of Boston; Miren Uriarte, Alfredo de Jesus, Frieda Garcia, Regla Gonzalez, Antonio Molina, Carmen Pola, Jaime Rodriguez, Maria Sanchez & Alberto Vasallo.

On June 1, 2021, we launched the Latino Pioneers in Boston Magazine. The magazine was distributed throughout the Boston Public School system (Grades 6 to 12) and the Boston Public Libraries. We reached over one thousand students, teachers and families. The Latino Pioneers in Boston Exhibition was another step to success. The exhibition was held at the Neighborhood Gallery at the Boston City Hall from September 1st to September 30th. It was a moving celebration.

I feel blessed to have embarked on this wonderful journey with an amazing group of individuals who have helped me bring this idea to fruition: Linda Nathan, Lisa Link, Vanessa Calderon, Gabriel Serrano, Margaret Blood, Deborah Fraggott, Josefina Bonilla, Evelyn Arana, Evelyn Barahona, Aixa Beauchamp, Abraham Valenzuela, Paloma Ortiz and Valeria Gerena.

In addition, a project of this magnitude can only be accomplished by the financial support of our sponsors. I extend a big shout out to: The Latino Equity Fund, Libman & Associates, Boston Public Library, Boston Public Schools, IBA, Small Business Strong, Ahora Inc, MGH and Community Health, Bodega San Juan Inc, Tree of Light Initiatives, DHK Architects, Inc. and El Mundo.

Thank you and enjoy this collection of stories.

Kindly,
Blanca E. Bonilla
